Here at Stefano's we cater to the individual needs of each and every type of function in the hope that you will come away with a unique and pleasant experience. We require that all selections and details be finalized one week prior to the date of the function in order to ensure that all items are in stock and that all the details will be met to your satisfaction. A deposit of \$100.00 is always required to hold the date of your function and will be deducted from the bill on the day of the event.

Please be aware that if your function happens to be held on a Friday or Saturday night and requires a private dining room, there will be a minimum spending amount set by a manager when you book your party. This minimum amount changes every season and is in place simply because we do not charge room fees.

If there are any questions on the below material or perhaps you don't quite see what you are looking for, please feel free to call and ask for a manager. We will be more than happy to answer any of your questions and help you to find exactly what you are looking for. The best times to call are Tuesday through Sunday from 11:00am to 4:00pm and always ask for a manager when calling. If desired, we can also schedule an appointment for room showings and a more personal booking experience.

The family style buffet is served in large serving dishes that are left on the table to be passed around by the party. Salads are served individually to each of your guests, all with the same dressing. This option is limited however by amount in your party and is usually recommended for parties of **30 people and less only**. For **\$17.99** per person the Family Style Buffet can be setup with the same choices as the Chef's Choice Buffet (seen above), but they can be served with any of the items on our Dinner menu, in this case, pricing per-person will vary.

Décor & Table Arrangements

Decorations: We do allow decorations to be added to the dining room however, we simply ask NO confetti or messy decorations and NO taping signs or banners to the walls. In the past we found that parties that bring in center pieces for the tables dress up the room very nicely. Others have brought in balloon or flower arrangements that add a nice touch to the room.

Dinner/Lunch Service

If you are looking to host a more reserved meal we offer a choice of either our full open menu or our 'Choice Menu' option. Full open menu is strictly for parties of 25 guests or less where as the 'Choice Menu' option can be done for parties with any number of people. In either case the menu price of each item ordered will be added to the check.

Choice Menu: With this option you can choose about 4 to 5 items directly from the dinner menu's Pasta or Entrees page. On the day of the function we will print customized menus and place them at each seat listing your menu selections. **For Children,** the Kid's menu can be listed at the bottom of your customized menu and all of the normal accompaniments apply as well.

Open Menu: All of your guests simply receive our full dinner menu and can make any choice they so desire from the menu. This means that pizza, sandwiches, entrees and pasta are available. *(The 'Open Menu' option requires that less than 25 guests are attending the function.)*

PLEASE NOTE: Our 'Choice Menu' option require that a minimum of **\$15.00** must be charged per menu selection **to reserve a private dinning room.** This means that if you select a menu item less than \$15 you will still be charged \$15 for that item (excluding children).
